Sec. 2.30 Registration.

(c) Notification of change of operation.

(1) A research facility shall notify the AC Regional Director by certified mail of any change in the name, address, or ownership, or other change in operations affecting its status as a research facility, within 10 days after making such change.

Covance failed to notify the AC Regional Director of the existence of a location where animals covered under the Animal Welfare Act were being housed and used in ongoing activities. Animals belonging to Covance were discovered at a location that had not been disclosed to the AC Regional Director at the time of the inspection.

This non-compliant item was corrected on January 19, 2005.
